Dear Sir:

The Filing Receipt for this application does not state the correct attorney docket No. It should state 54420US4D017. Also the title contains an error in the first word, i.e., Applications should read Applications. Please also change the continuing data to reflect that this application is a division of 09/368,826, which is a continuation-in-part of 09/344,758. This change was indicated in the Preliminary Amendment accompanying this application as well as in the Communication dated September 28, 2000 and received at the PTO on October 2, 2000 which submitted a new copy of the Declaration, Power of Attorney and Petition.

A copy of the Filing Receipt is enclosed with the corrections marked in red thereon.

Please forward a corrected filing receipt on this application. We appreciate your cooperation in this matter.

Respectfully submitted,
